

FY03 Missouri Lottery Proceeds Appropriations

(revised 4/15/10)

Since 1986, the Missouri Lottery has contributed more than \$1.8 billion to the state of Missouri and public education. Annual Lottery contributions comprise about 3 percent of the state's funding for public education – an effort shared by local, state and federal governments.

For fiscal year 2003, more than \$186 million from Lottery proceeds have been appropriated to Missouri's public education programs by the Missouri Legislature through House Bills 1102 and 1103 from the 91st General Assembly. The following is a list of programs that will receive Lottery proceeds.

Missouri Department of Elementary and Secondary Education \$112,588,683

\$88,240,365 (3 percent of total program funding)

Foundation Program

These funds help pay for day-to-day operations of school districts, including At-Risk Programs, special education, gifted education, transportation, early childhood special education, the Career Ladder Program, vocational education and early childhood development.

\$8,696,486 (46 percent of total program funding)

A+ Schools Program

Through this program, high schools meet specific standards to ensure their students are well prepared to pursue advanced education and employment. Students who graduate from a designated A+ School may qualify for state-paid assistance to attend any eligible public community college or technical school in the state.

\$7,000,000 (26 percent of total program funding)

New Technology Grants Program

With this money, grants are provided to help school districts acquire computer hardware and software, lab equipment and other technology to promote the use of computers and telecommunications. These funds also will be used to train teachers in technology.

\$2,375,000 (30 percent of total program funding)

Safe Schools Initiative

Through this program, grants will be provided to schools to make them safer. Educational programs to serve violent, disruptive and abusive students will be created to make schools safer for all students and teachers.

\$2,083,935 (28 percent of total program funding)

Public Placement Excess Cost Program

This program was established to assist school districts in providing education services to students in residential placements through the Missouri Department of Mental Health or the Missouri Division of Family Services by paying the excess cost incurred by those school districts for educating these students placed outside the school district where their parents reside.

\$1,400,000 (3 percent of total program funding)

Vocational Rehabilitation Program

This money will be used by the Division of Vocational Rehabilitation to assist clients who have disabilities to obtain employment by diagnosis, physical restoration, training, placement and other related services.

\$874,321 (7 percent of total program funding)

Pupil Testing Program

This money will help develop a performance-based evaluation system for Missouri students, as required by the Outstanding Schools Act.

\$711,786 (100 percent of total program funding)

College Credit Fees/Advanced Placement

These funds are used to pay for courses, exams and other expenses that lead to high school students receiving college credit. The funds also are used to pay Advanced Placement examination fees for low-income families for science and mathematics exams.

\$342,754 (85 percent of total program funding)

Maintenance/Repair State Schools

This money will support various repair projects at the state-operated schools for severely handicapped children, the Missouri School for the Deaf and the Missouri School for the Blind.

\$250,000 (100 percent of total program funding)

Character Education Initiatives

These funds will provide teacher training and resources to schools to emphasize the importance of universal values such as responsibility, respect, trustworthiness, fairness, caring and citizenship.

\$200,000 (44 percent of total program funding)

Future Minority Teacher Scholarships

This money will be used to help fund Missouri's Scholarship Program for minority teacher education students in approved programs at four-year colleges or universities in Missouri.

\$158,156 (20 percent of total program funding)

Missouri Scholars and Fine Arts Academy

These two annual gifted academies (the Scholars Academy and the Fine Arts Academy) offer additional opportunities to the state's highest-achieving students to participate in educational activities beyond those offered during the regular school year. The academies are open to juniors and seniors from public and private high schools.

\$145,000 (26 percent of total program funding)

Early-Grade Literacy

These funds provide targeted funding for professional development activities related to the early-grade literacy programs offered at Southeast Missouri State University.

\$110,880 (100 percent of total program funding)
